Hi Jake.

How are you? I'm doing well, I hope you are doing well too. I'm really happy to heard about project from you. Right, I took part in a project. Let's start with how I learned? This very interesting question for me, because when I start prepare for this project, I learn all of information on TikTok yeah it's heard very bad, but information from TikTok help's me! I offer to you find information with AI for example, on social media or just in Google. To learn about project all of version definitely helps you.

On the other hand prepare just yourself, e.g. with books, I think books helps you too. Secondly, what I want to answer about your question that "Do you think it's a good idea for you to join?" The first why you're asking about this? "Definitely yes. Firstly, it's very useful. Secondly, you took part in this project. That's all what I want to say, Jake. Good luck in project! Bye. Anuar.
